

OUR HISTORY

Bob Toll opened the H.R. Toll Company in 1945, consisting solely of a rented desk in a St. Paul public warehouse. Today Toll Company has grown to offer design, engineering and other technical assistance for welding, industrial gas, bulk gas and specialty gas applications including a cryogenic division.

Toll Gas & Welding Supply is 100% employee owned. Every Toll employee/owner is dedicated to Bob Toll's original key principles for success:

- Unwavering commitment to safety
- Leading the market in products & services
- Adherence to ethics & professionalism
- Building relationships with customers
- A commitment to customer service

TIMELINE

OVER 80 YEARS OF COMBINED INDUSTRY EXPERIENCE

Meet Your Toll Company Specialty Gas Team

Rest assured your specialty gas needs will be met with the highest standards and quality as well as unmatched customer service!

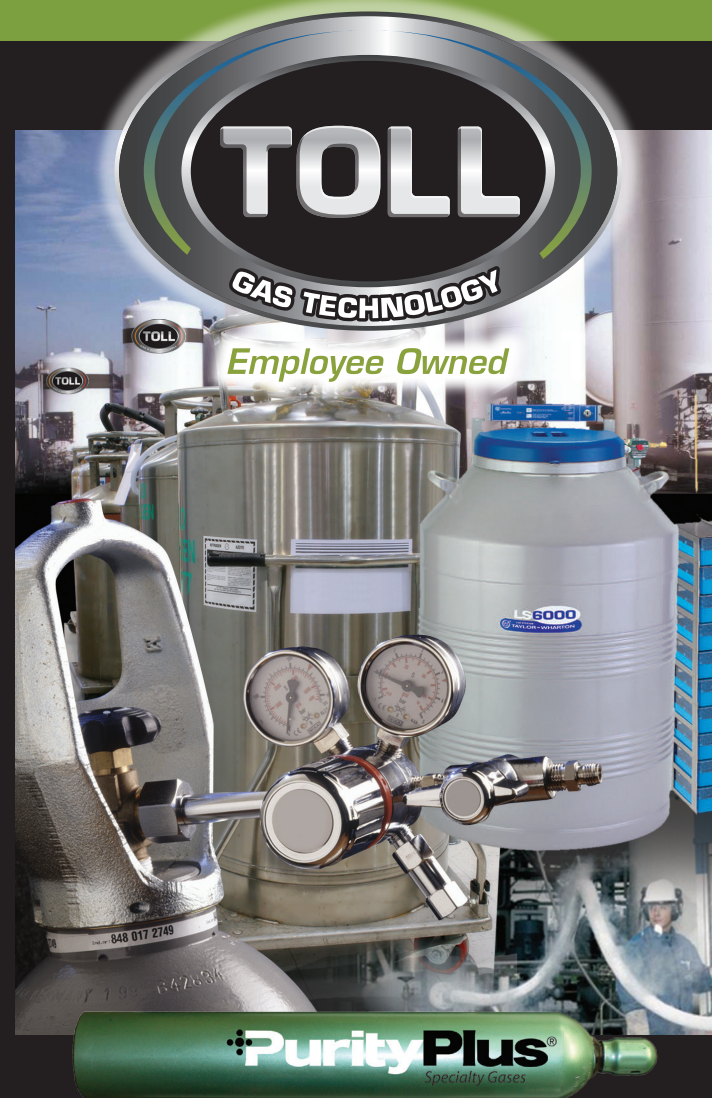

Thomas Litzkow
Engineered Systems Applications Specialist
Experience: 30+ years
cell: 612-581-3905
e-mail: toml@tollgas.com

Thea Bunde
Specialty Gas Account Manager
Experience: 27 years
cell: 612-581-9889
e-mail: thea@tollgas.com

Lee Barlau
Cryogenic Manager Experience: 23 years
cell: 612-388-0434
e-mail: leeb@tollgas.com

INDUSTRIAL & BULK GASES

Toll offers the purchase, lease or rental of cylinders. Cost comparisons and product supply agreements are available.

| | |
|----------------|-----------|
| Acetylene | Hydrogen |
| Argon | Nitrogen |
| Carbon Dioxide | Oxygen |
| Compressed Air | Propane |
| Helium | Propylene |

SPECIALTY GASES

Custom mixtures are available.

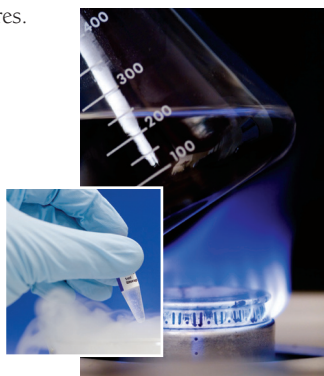

| | | |
|--------------------|----------------------|-----------------------|
| Ammonia | Ethylene | Nitrous Plus-Racing |
| Argon, ICP | Food Grade Gases | Oxygen Research |
| AA Acetylene | Halocarbon: 14, | Refrigerants/Freon |
| Butane | 22, 23, 116, C318 | Silane |
| Calibration Gases | Krypton | Silicon Tetrachloride |
| Carbon Monoxide | Laser Gases | Sulfur Hexafluoride |
| Chlorine | Methane | Sulfur Dioxide |
| Deuterium | Neon | Xenon |
| EPA Protocol Gases | NIST Traceable Gases | |
| | Nitric Oxide | |

MEDICAL GASES

The following gases are available in medical grade. Ask about custom mixtures.

- Aerobic Gas Mixtures
- Anaerobic Gas Mixtures
- Blood Gas Mixtures
- Carbon Dioxide, USP
- Helium, Liquid
- Lung Diffusion Mixtures
- Medical Air
- Nitrogen NF
- Nitrous Oxide, USP
- Oxygen, USP

Many other gases available

CUSTOM DESIGNED GAS DELIVERY SYSTEMS

Bulk Tank & Pipeline Installations
Manifold & Switchover Stations

AUTOMATION

Toll provides custom automation and robotic solutions.

- Laser
- Hard Fixture
- Robotic
- Sales & Service
- PRI Robotics Partnership

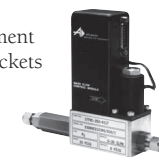

SERVICES

- Engineering & Installation
- Field Service
- Remote Tank Monitoring
- Full-Service Delivery Capabilities
- Customized Gas Reporting
- 24hr On-Call Service
- Engineered Gas & Cryogenic Delivery Systems & Installation

GAS TECHNOLOGY PRODUCTS

- Cryogenic Equipment
- Cylinder Wall Brackets
- Flow Meters
- Molecular Sieves
- Regulators
- Specialty Gas Equipment

HIGH PURITY CHEMICALS

Common laboratory chemicals:

Acids

- Acetic Acid
- Hydrochloric Acid
- Sulfuric Acid
- Nitric Acid
- Sulfuric Acid

Solvents

- Acetone
- Acetonitrile
- Chloroform
- Ethyl Alcohol
- Methyl Alcohol

Bases

- Potassium Hydroxide
- Sodium Hydroxide

Salts

- Sodium Chloride
- Sodium Carbonate

FEATURES & BENEFITS

- On-Line Ordering
- Next-Day Delivery
- Same-Day Delivery (for urgent orders)
- ISO/IEC 17025: 2017 Accredited
- H.P. Cylinders w/ Shrink Wrapped Valves
- Technical Support
- Safety Training
- On-Line MSDS
- Cost-Savings Analysis
- Mode-Change Analysis
- Disposal Cylinder Recycling
- Lab / Safety Audit
